Brea Country Hills Elementary School

Dear Country Hills Families,

There are great things going on all over campus, and Cougars are focusing on ROARing behavior. Respecting themselves and others should be paramount. Being a positive role model every day leads to success in so many ways! Ownership of actions and attitude leads to understanding that it is ok to make mistakes but learn from them. Achieving academic and personal goals is something students should strive to do to be the best student, friend, family member and citizen they can be. Being Responsible for making positive safe choices should be their number one goal daily. We hope you encourage ROARing behavior at home, too!

Please call us at [714-990-3221](tel:714-990-3221) or email me at pwalsh@bousd.us if we can assist you or your children in any way.

Sincerely,
Mrs. Trish Walsh, Principal
